L.U. 141 (ees,i,o,u) Wheeling, WV – Hello, Brothers and Sisters. Work has improved in our local, with 35 members on Book 1 and calls occasionally making it to Book 2.

The Wheeling JATC held a completion dinner in May at Waterfront Hall. Congratulations to Local 141's newest Journeyman Wiremen; Jonny Jacobsen, Kylor Basich, William Garamella, Max Mendelson, Brenden Duncan, Kyle Reilly, Cameron Ross, Nolan Kirchner and Jackson Palkovic. May these brothers have a long and fulfilling career in the IBEW!

On June 14, 2025 a devasting flash flood hit the Elm Grove portion of Wheeling, along with the nearby communities of Triadelphia and Valley Grove. As of this writing there have been eight fatalities, and one resident still missing. This flood hit our union hall, but thankfully the building only suffered minor damage. Unfortunately, two of our Local 141 members' homes suffered very heavy damage, and they lost nearly all of their personal belongings. There has been a great outpouring of help from our membership, both monetarily and donating time to help these members put their homes and lives back together.

IBEW Local 141 sadly reports the passing of retired member Myles B. Witchey. He will be dearly missed.

Kurt "Bug" Reed, P.S.
