L.U. 141 (ees,i,o,u) Wheeling, WV – Greetings, Brothers and Sisters. Work is still slow in Local 141, with 55 members currently on Book 1. Thankfully there remains to be many employment opportunities for our members in nearby locals.

In April WVU Medicine/Wheeling Hospital held a groundbreaking ceremony for its new $130 million state-of-the-art cancer center to be built in Wheeling. This project, along with other sizable commercial projects slated to be built in Wheeling later this year, will bring much needed work into our jurisdiction.

IBEW Local 141 is proud to announce the initial steps being taken to formulate IBEW 141 RENEW. With the guidance of President David Cantrell, Business Manager Glenn Giffin and the initiative of Brother Max Mendelson, this new group has been meeting with many interested young members. It is anticipated to have this new group officially chartered with the IBEW later this year.

IBEW Local 141 is sad to report the passing of retired members Michael “Crash” Kanick and Donald “Ray” Baker. These Brothers will be greatly missed.

Kurt “Bug” Reed, P.S.
