L.U. 141 (ees,i,o,u) Wheeling, WV – Greetings, Brothers and Sisters. The work picture in Wheeling has slowed up a bit, with 45 members on Book 1. The local remains optimistic for many projects that are slated to kick off soon within our jurisdiction.

On August 9, 2025 IBEW Local 141 held its annual family picnic and golf scramble at Wheeling Park. It was a picture-perfect day, with children's activities, games, swimming, great food, and of course, brotherhood! The golf scramble was again a great success, with approximately 14 teams signed up to play. A huge congratulations goes out to the winning golf team of Bryan Ramsay, Tyler Ramsay, Jason Balsei, and Mason Ramsay.

As of this writing IBEW Local 141's social committee will begin setting its sights on the Paden City Labor Day Parade, and the festivities planned for the holiday season.
